

# Pest Control Officer

**Endless Variety**

**Infinite Opportunity**

Pest Control Officer works with the public to maintain a rat free population within the Municipality. The Pest Control Officer gives information, advice and assistance as well as inspects farms, outbuildings and other potential harborage sites to detect the presence of rats. Pest Control Officer will assist with other small mammal pests (beaver, ground squirrel, gopher, bats, etc.) on properties as requested.

## This job is perfect for:

- ✓ A mature, responsible individual with a preference for hands-on technical work and who enjoys working outdoors in the Spring, Summer & Fall months.
- ✓ A problem solver who likes working independently.
- ✓ A person who enjoys one-on-one in-person interaction, being the expert, and takes pride in meeting and exceeding customer expectations.
- ✓ Someone who is retired or semi-retired, but still wants to be active for part of the year and be part of a successful team.

## We need someone to:

- Inspect buildings and outside areas at regular intervals
- Set traps, administer bait / poison and other control substances and devices
- Coach and counsel ratepayers to prevent pest infestation
- Inspect premises to identify infestation source, extent of damage, and access to infested locations
- Ensure any sign of rats has control measures implemented to eliminate and prevent recurrence of infestation
- Ensure that all work is documented according to policy and that updates to each job performed

## You should have:

- Valid Provincial pesticide license
- Valid Driver's license / clean driving record
- Provide own transportation
- Strong communication, interpersonal, customer service and time management skills
- Travel

**Position appointed annually and is remunerated as a per hour rate and reimbursed per km**

**Please submit application including Cover Letter indicating Salary expectations**
