### Questions:

1. Where is the revenue on rental properties going?
2. Is the revenue from those & commercial as well as **Permits & licensing** going into Lone Rock general revenue fund why are permits not itemized on the financial statement?
3. The hamlet board needs to see the payables & receivable invoices regarding the hamlet to more accurately review the budget going forward when can this be done?
4. When can the tax roll be made available so that dollar amount of available funds can be reviewed so as more precise budgets can be compiled for this & coming years?
5. When can the invoices amounting to the previous deficit be reviewed?
6. What is the name of the firm that performs the annual audits?
7. Does the Lone Rock Levy also include all properties owned by the RM?
8. Many of the budgeted items show increases when decrease should be noted due to reduced use & services explain this?
9. There seems to be an error as to Reserve & tax title amounts as more information is needed so that this can be confirmed with Accountant & Ministry of Finance, when can the reference documents be provided so as this review can be made?
10. Water & Sewer will need 3<sup>rd</sup> party verification on these expenses when can that be done?
11. Septic pumping on RM purchased properties is born by the RM as do any development costs associated with speculative purchased properties. These items should not be included in the Hamlet budget or be reflected against Hamlet rate payers taxes.
