New business brought forward as to discussion on what had occurred during mediation with the RM of Wilton including what was suggested regarding communications & instructions. Institution of Resolution process & how minutes would be sent from RM.

Water & Sewer Bills have not been approved by the Hamlet Board or by the Municipal Board or agreed on through mediation & have advised through resolution & minute's water & sewer are to be returned back to annual Tax notices.

RM walked out of last mediation meeting & still waiting to hear back from RM if they want to continue with mediation.

The budget the Hamlet board submitted was ignored. The RM went ahead with a budget of their own & passed it & they have refused to provide us with a copy.

Discussions with other government bodies as well as discussions with area farmers as to their positions as to what is happening to the Hamlet of Lone Rock & general consensus.

- 3. SK Water Security Agency:** Discussion resumed on requirements provided by Sask water, Department of Health & Municipal Board as to Water & sewer as well as update letter replying to Sask environment.

Water levels continue to rise at south side of Lone Rock. RM still refuses to resolve this issue.
